

DISSEMINATION - UPDATE

Erasmus+

[STATE OF THE ART]

Activities carried out by ANS:

- ✓ Logo → done
- ✓ Website → 828 users (3,882 pages viewed) at 23/8/2018
- ✓ Facebook → dissemination on partners' social networks: #apps4carers
- ✓ Leaflet → translated in all languages
- ✓ Newsletters (3) = 2 done / 1 final missing → agree on contents and date
- ✓ European level: COFACE, AGE and EUROCARERS → dissemination letter at the end of the project

Activities carried out by all partners:

- ✓ Newsletters release (ANS – done; ?)
- ✓ Posts on social media (ANS – done; ?)
- ✓ Articles and updates to be published in partners' house-organs (ANS done; ?)
- ✓ Meetings and events (ANS – done; ?)

NOTE - AF:

“The project results (App and trainers manual), will also be linked to the national version of INNOVAGE web platform of the partners that participate in this project (Greek, Cypriot, Italian, Portuguese, Swedish), thus supporting dissemination”

can we do that?

[MULTIPLIER EVENTS]

- ✓ ALL PARTNERS (including Singularlogic) have to organise a final dissemination event targeting at least 30 national participants
- ✓ ANS organised 2 events:
 - in **Carpi** the 4th of May 2018 =16 participants
 - in **Trento** the 8th of June 2018 = 20 participants

Have you done that / plan that?

[DISSEMINATION OF THE APP]

The Android version is available:

<https://play.google.com/store/apps/details?id=eu.slg.apps4carers>

- ✓ Dedicated information in the last newsletter
- ✓ Dissemination «postcard» and banner:
 - ANS → to develop it in English:
https://www.dropbox.com/s/jdrxt5jbw7dbxin/translation_APP_Postcard.docx?dl=0
 - ALL PARTNERS → to provide translation and disseminate it via web and email
- ✓ Dissemination in multiplier events (whenever not hold yet)
- ✓ Dissemination on social networks → [#apps4carers](#)
